

Not Enough Snow

Not enough snow. (*spoken solo*: Hey, what's with the green grass?)
I want snowflakes.
Not enough snow. (*spoken solo*: More jingle bells, please.)
I have heartaches.

No snowballs, no snow forts, no sliding down hills.
Rum pum pum, rum pum pum,
rum pum pum pum pum pummm.

No snow days, no snowmen, no wintertime thrills.
Rum pum pum, rum pum pum,
rum pum pum pum pum pummm.

Not enough snow. (*spoken solo*: I'm really tired of drab everywhere.)
I want snowflakes.
Not enough snow. (*spoken solo*: It's not very festive yet, is it?)
I have heartaches.

No snowballs, no snow forts, no sliding down hills.
Rum pum pum, rum pum pum,
rum pum pum pum pum pummm.

No snow days, no snowmen, no wintertime thrills.
Rum pum pum, rum pum pum,
rum pum pum pum pum pummm.
