Pop/Rock Ballad (in 2)

Bonnie Blogger: Staring up at the stars sure does make you feel small, doesn't it?

Camper Sam: I don't know. It sort of makes me feel like I'm a part of something really big.

Camper Andi: Bigger than just a kid at a camp in the middle of nowhere?

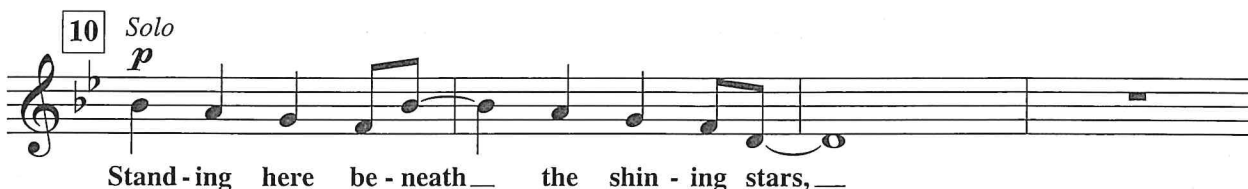

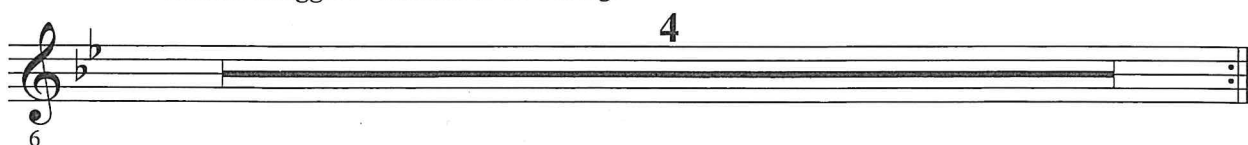

Camper Sam: Yeah. I'm a part of this whole universe and if I wasn't here, the universe wouldn't be the same.

Camper Andi: Oh ... we matter.

Camper Sam: Yep ... we count.

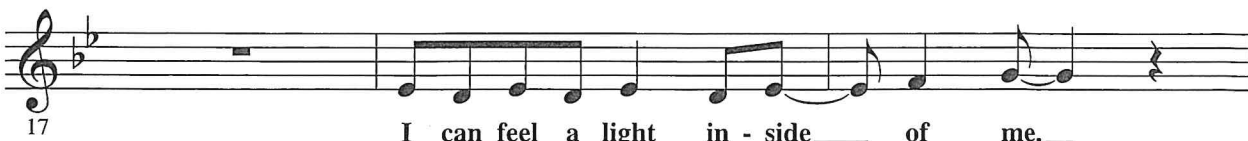

Bonnie Blogger: Hmmm ... we belong.
